

### HCC 2017-2018 Prior Learning Credit for Career Technical Programs\*

Program of Study	Course Code / Title	Acceptable Industry Certification	Challenge Exam	Perform. Test
Aviation Maintenance Technology	AAS, with exception of academic requirements	FAA Aviation Maintenance Technician		
Aviation Maintenance Technology	ANT 1113: Introduction to Aviation	FAA Private Pilot	X	
Aviation Maintenance Technology	ANT 1123: Aviation Systems	FAA Instrument Pilot OR Commercial Pilot AND	X	
Aviation Maintenance Technology	ANT 1213: Private Pilot Ground I	FAA Private Pilot		
Aviation Maintenance Technology	ANT 2113: Applied Meteorology	FAA Private Pilot		
Aviation Maintenance Technology	ANT 2623: Intermediate Flight Skills Development			X
Business Office Technology	BOT 1233: Microsoft Word I	OPAC - MS Word Basic OR IC3	OR	
Business Office Technology	BOT 1243: Microsoft Word II	MOUS 725/MOUS 418		
Business Office Technology	BOT 1823: Microsoft Excel I	OPAC - MS Word Intermediate	OR	
Business Office Technology	BOT 1853: Microsoft Excel II	MOUS 725/MOUS 418		
Business Office Technology	BOT 2333: Microsoft Access	OPAC-MS Excel Basic OR IC3	OR	
Business Office Technology	BOT 1613: Medical Terminology I	MOUS 727/MOUS 420		
Business Office Technology	BOT 1623: Medical Office Terminology II	OPAC - MS Excel Intermediate	OR	
Business Office Technology	BOT 2743: Medical Office Concepts	MOUS 727/MOUS 420		
Graphic Design Technology	CAT 1213: Fundamentals of Graphic Computers	OPAC MS Database OR MOUS 730/MOUS 424		
Graphic Design Technology	CAT 2313: Basic Advertising Design			X Spring Only
Graphic Design Technology	CAT 2323: Advanced Advertising Design	Adobe InDesign Certification		X Spring Only
Drafting Technology	DDT 1163: Engineering Graphics	Adobe Photoshop Certification		X Spring Only
Drafting Technology	DDT-1173: Mechanical Design I			X
Drafting Technology	DDT 1314: Principles of Computer Aided Drafting (CAD)	Autodesk AutoCAD Certified User Exam	OR	
Drafting Technology	DDT 1324: Intermediate Computer Aided Drafting (CAD)	AutoCAD Certified Professional Exam		
Drafting Technology	DDT 2123: Fundamentals of Geographic Info Systems	Autodesk AutoCAD Certified User Exam	OR	
Diesel Equipment Technology	DET 1114: Fundamentals of Equipment Merchanics	AutoCAD Certified Professional Exam		
Diesel Equipment Technology	DET 1223 Electrical/ Electrical Systems I	ESRI ArcGIS Desktop 10.3   10.4   10.5		
Diesel Equipment Technology	DET 1264: Electrical/Electrical Systems II	Industry Certification Documentation	AND	X
Diesel Equipment Technology	DET 1363: Diesel Systems I	Industry Certification Documentation	AND	X
Diesel Equipment Technology	DET 1373: Diesel Systems II	Industry Certification Documentation	AND	X
Diesel Equipment Technology	DET 1514: Hydraulics I	Industry Certification Documentation	AND	X
Diesel Equipment Technology	DET 1613: Preventative Maintenance	Industry Certification Documentation	AND	X
Diesel Equipment Technology	DET 1814: A/C and Heating	Industry Certification Documentation	AND	X
Diesel Equipment Technology	DET 2112: Welding for Diesel Equipment Technology	Industry Certification Documentation	AND	X
Hospitality & Tourism/Culinary Arts	CUT 1114: Culinary Principles 1	Industry Certification Documentation	AND	X
Hospitality & Tourism/Culinary Arts	HRT 1123: Intro. to Hospitality & Tourism Industry			X
Hospitality & Tourism/Culinary Arts	HRT 1153: Introduction to the Culinary Arts			X
Hospitality & Tourism/Culinary Arts	HRT 1213: Sanitation and Safety			X
Industrial Mechanics/Maintenance Tech.	IMM 1113: Industrial Maintenance Core & Safety	SERVSAFE Certification (less than 5 yrs. old) AND		
Industrial Mechanics/Maintenance Tech.	IMM 1935 Manufacturing Skills Basic	NCCER Core and Safety		
Industrial Mechanics/Maintenance Tech.		Industry Experience/Documentation	AND	X

HCC 2017-2018 Prior Learning Credit for Career Technical Programs*				
Program of Study	Course Code / Title	Acceptable Industry Certification	Challenge Exam.	Perform. Test
Information System Technology	IST 1124: IST Foundations	A+ Hardware/Software TestOUT PC Pro	OR	
Information System Technology	IST 1134: Fundamentals of Data Communications	Cisco CCNA, CompTIA Network + TestOUT Network Pro	OR	
Information System Technology	IST 1144: Principles of Information Security	CompTIA Security + TestOUT Security Pro	OR	
Information System Technology	IST 1224: Network Components (Pre Req. IST 1134)	Cisco CCNA		
Welding and Cutting Technology	WLT 1115: Shielded Metal Arc Welding I	NCCER Level I Industry Certification	OR	X AND
Welding and Cutting Technology	WLT 1124: Gas Metal Arc Welding GMAW	NCCER Level II Industry Certification	OR	X AND
Welding and Cutting Technology	WLT 1135: Gas Tungsten Arc Welding (GTAW)	NCCER Level II Industry Certification	OR	X AND
Welding and Cutting Technology	WLT 1143: Flux Cored Arc Welding (FCAW)	NCCER Level II Industry Certification	OR	X AND
Welding and Cutting Technology	WLT 1155: Pipe Welding	NCCER Level III	OR	X AND
Welding and Cutting Technology	WLT 1162: Gas Metal Arc Aluminum Welding (GMAAW)	NCCER Level IV	OR	X AND
Welding and Cutting Technology	WLT 1426: Basic Fabrication for Pipefitting	NCCER Level I Industry Cert. or Maritime Pipefitting Certification	OR	X AND
Welding and Cutting Technology	WLT 1173: Introduction to Welding and Safety	NCCER Core Industry Certification	OR	X AND
Welding and Cutting Technology	WLT 1225: Shield Metal Arc Welding II	NCCER Level I Industry Certification	OR	X AND
Welding and Cutting Technology	WLT 1232: Blueprint Reading, Welding and Metallurgy	NCCER Level II Industry Certification	OR	X AND
Welding and Cutting Technology	WLT 1252: Advanced Pipe Welding	NCCER Level III	OR	X AND
Welding and Cutting Technology	WLT 1313: Cutting Processes	NCCER Level I Industry Certification	OR	X AND
Welding and Cutting Technology	WLT 2812: Welding Metallurgy			X
Welding and Cutting Technology	WLT 2913: Welding Code			X

\*Note: Students must complete a minimum of 25% of their chosen certificate/degree at Hinds Community College for graduation purposes. This chart is reviewed each academic year and revised as needed. 8-1-17
